# THE BEST

Hair restorative in the world is HALL'S HAIR HENEWER. It cores all diseases of the scalp, and stimulates the hair glands to healthful action. It steps the failing of the hair; prevents its turnue gray; cares taddress, and restores youthful color and freshness of appearance to heads already white with arc. The following are a few injustrations of what is done by

### HALL'S Vegetable Sicilian HAIR RENEWER:

Brooklyn, N. F., after a sovere attack of Erroslyn, N. F., after a sovere attack of Errosly gray-failing off so rapidly that she soon become quite bald. Owe but of Half's Hart Research brought it back as soot, brown and thick as wish she was agit.

ET Mn. Kuslino, an old farmer, near War-sate, Ind., had scarcely any bair left, and what little there was of it had become nearly white. One bestle of Harles Ham Engueun stopped is falling out and gave blee a thick, marginat-lead of hair, as brown and fresh as he ever bad. head of lair, as brown and fresh as he ever han, RE Mas. A. T. Wall, Greenfeld, Cheshire, Log, with st. "I have found the greatest ben-eff from the use of Hall's Hair RESEWER, it having restored my hair, which was rapily fall-fag off, and returned its original color."

ing off, and returned its original color."

£2- Dn. Emil. Surr. Letrolt, Mich., certifies that "Hall's Hant Rennewen is excellent for his growing, and gives back the natural color to failed and gray halt."

£2- Mins. S. E. Ellitott, Glenellle, W. Fo., says: "One beatle of Hall's Hatt Rennewen restored my hair to its natural, youthful color."

No injurious substances enter into the composition of Hall's Hair Rennewen, and it is not a dye. Its vegetable ingredients rember it in the highest degree berefield to the scalp as a preventive of discusse. Its effects are natural and lasting, and it does not make the hair dry and brashy, like the so-called restoratives compounded with alcohol.

# Buckingham's Dye WHISKERS

is, in four respects, superior to all others, 1st—It will produce a rich, natural color, brown or black, as desired.

21—The color so produced is permanent, caunot be washed off, and will not soil anything with which it comes in contact.

31—It is a single preparation, and more convenient of application than any other natror whisker dye.

4th—It contains no deletrious between the like use. Is, in four respects, superior to all other-
